

April Newsletter

APRIL TUITION: Tuition is now due (**A late fee will be applied on April 8th**). Please pay any remaining balance this week! Thank you!

ATTENDANCE: As we are cleaning the Recital dances each week from now until the end of May, **your dancer's attendance is very important.** Please do your best to be at every class. We encourage dancers to bring video cameras into class to record their dances if it will help them remember as they practice at home. ***Just a reminder-if a dancer misses more than 4 classes from March-May, that dancer will not be able to perform in the Recital (unless your absences have been previously excused). During Recital Week rehearsals attendance is MANDATORY for the dancer to participate in the Recital.*** These last rehearsals are vital for piecing everything together and putting the last touches on the dances and to help the memory of the dancers for the choreography.

COSTUMES: Costumes will be ready for pickup/take home the week of May 1st!

There will be tickets sold at the door the day of the Recital IF the shows have not sold out, however, the ticket prices will be more expensive. You CAN invite your extended family and friends this year, we can safely house 700+ guests per show in this facility.

If you are let into the auditorium before the rest of your party, please do not save more than 2 seats per person in your group that was let in first. We are trying to be fair and considerate of others within each seating group.
